Dr. Law Sui Chun is and was not connected with any Directors, senior management or substantial or controlling Shareholders of the Company. The Board is also not aware of any circumstance that might influence Dr. Law Sui Chun in exercising independent judgment, and is satisfied that she has the required character, integrity, independence and experience to fulfill the role of an independent non-executive director and she will be able to maintain an independent view of the Group's affairs. The Board considers her to be independent. The Board is of the view that with a female representative on the Board, the diversity of the Board is strengthened. The Board believes that she will continue to contribute effectively to the Board.

Brief biographical details of the retiring Directors who are proposed to be re-elected at the AGM are set out in Appendix I to this circular.

GRANT OF GENERAL MANDATES TO ISSUE SHARES AND REPURCHASE SHARES

The Existing Issue Mandate and the Existing Repurchase Mandate will lapse upon the conclusion of the AGM. This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolutions to be proposed at the AGM in relation to the proposed mandate to repurchase Shares (the “Proposed Repurchase Mandate”).

1. SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue comprised 284,790,000 Shares. As at the same date, there were outstanding share options granted under the Company's existing share option scheme entitling the holders thereof to subscribe for 1,000,000 Shares in total at an exercise price of HK\$1.810 each.

Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares will be issued or repurchased before the AGM, the Company will be allowed to repurchase up to 28,479,000 Shares, representing 10% of the Shares in issue as at the Latest Practicable Date, during the period ending on the earliest of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by applicable law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

2. REASON FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASE

Repurchases must be funded out of funds legally available for the purpose in accordance with the memorandum of association and the Bye-laws and the applicable laws of Bermuda. It is presently proposed that any repurchase of Shares would be financed entirely from the Company's available cash flow or working capital facilities. Any repurchase will be made out of funds of the Company permitted to be utilized in this connection, including profits otherwise available for distribution.

The Directors expect there might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the Company's audited accounts for the year ended 31 March 2024 in the event that the Proposed Repurchase Mandate is exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Proposed Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company which in the opinion of the Directors is from time to time appropriate for the Company.

4. SHARE PRICE

The highest and lowest traded prices for Shares recorded on the Stock Exchange during each of the previous twelve months were as follows:

Month	Price per share	
	Highest HK\$	Lowest HK\$
2023		
July	1.36	1.21
August	1.32 ^A	1.21
September	1.28	1.21
October	1.24	1.18
November	1.33	1.13
December	1.30	1.10
2024		
January	1.24	1.18
February	1.33	1.20
March	1.31	1.23
April	1.30	1.20
May	1.36	1.25
June	1.30	1.10
July (up to the Latest Practicable Date)	1.20	1.14

Note:

^A Adjusted pursuant to payment of special dividend by the Company on 25 August 2023 to Shareholders whose name appeared on the register of Shareholders of the Company on 16 August 2023.

5. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their close associates currently intends to sell any Share to the Company in the event that the Company is authorized to make purchases of the Shares.

No core connected person of the Company, as defined in the Listing Rules, has notified the Company that he has a present intention to sell any Share to the Company, or has undertaken not to do so in the event that the Company is authorized to make purchases of the Shares.

In the six months preceding the Latest Practicable Date, the Company had not repurchased any Share on the Stock Exchange or otherwise.

The Directors will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules and the laws of Bermuda. Neither this explanatory statement nor the proposed share repurchase has any unusual features.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code and Rule 6 of the Repurchase Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and may become obliged to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Superior View Inc. (which holds the Shares for C.H. Family Trust which was set up by Dr Ng Chi Ho), Billion Linkage Limited (a company wholly and beneficially owned by Dr Ng Chi Ho and his spouse) and Dr. Ng Chi Ho (collectively “**Controlling Shareholders**”) held approximately 38.62 %, 18.82% and 2.43% of the existing Shares in issue respectively and which in aggregate held approximately 59.88% of the existing Shares in issue. If the Proposed Repurchase Mandate is exercised in full, the percentage interests in the Company of Superior View Inc., Billion Linkage Limited and Dr. Ng Chi Ho would increase to approximately 42.92%, 20.91% and 2.70% respectively and the percentage interests in the Company of the Controlling Shareholders would in aggregate increase to approximately 66.53%. To the best knowledge and belief of the Directors, such increase in shareholding would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the Proposed Repurchase Mandate to such extent as would result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchase pursuant to the Proposed Repurchase Mandate.
